

# Data

---

---

---

---

---

---

---

- ## Advantages
- All your data is at your fingertips
  - Instant graphs
  - Portable
  - Multitasking
  - Collaboration
  - Easy

---

---

---

---

---

---

---

- ## Thesaurus
- Defense
  - Reason
  - Explanation
  - Vindication
  - Pretense
  - Alibi

What You Need...

---

---

---

---

---

---

---

Getting Started

---

---

---

---

---

---

---

# Task Analysis

- Open Numbers
- Create A Spreadsheet With Dates/Trials
- Fill With "Checkboxes"
- Add A Graph
- Create a "Form"
- Collect Data

---

---

---

---

---

---

---

# Then Repeat

---

---

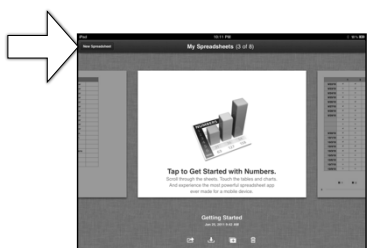

---

---

---

---

---

Open Numbers

---

---

---

---

---

---

---

---

---

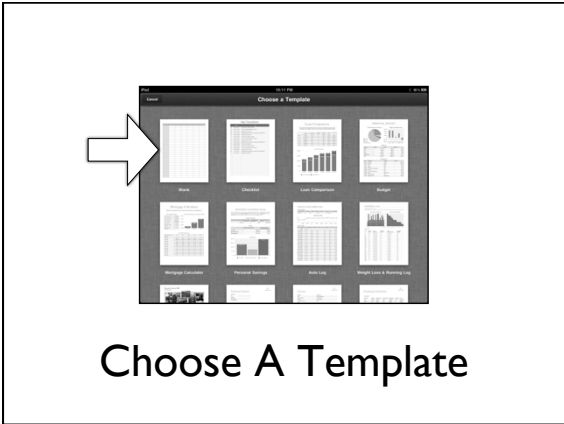

---

---

---

---

---

---

---

---

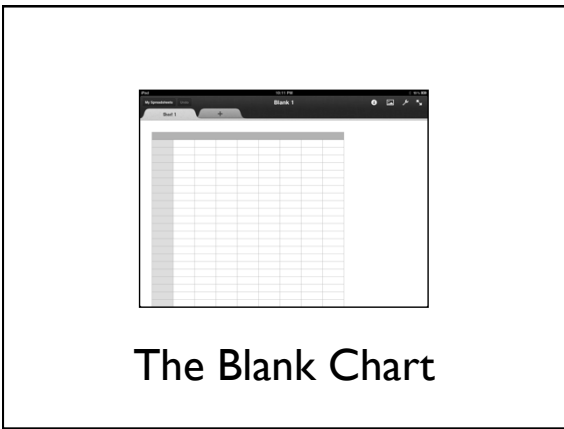

---

---

---

---

---

---

---

---

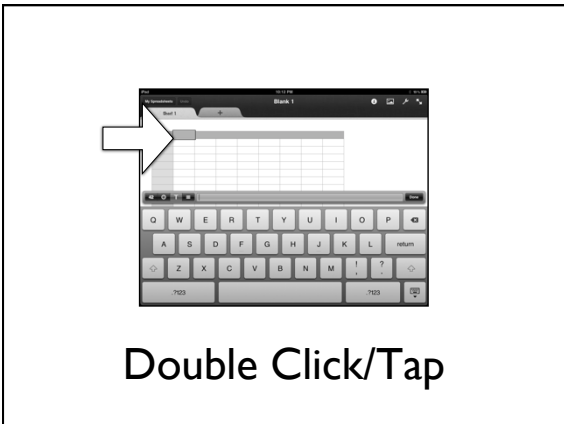

---

---

---

---

---

---

**Trials Across The Top**

---

---

---

---

---

---

---

---

**Format Cells**

---

---

---

---

---

---

---

---

**Add Month**

---

---

---

---

---

---

---

---

Add Day

---

---

---

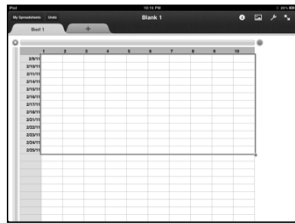

---

---

---

---

---

Highlight Boxes

---

---

---

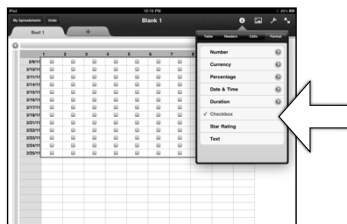

---

---

---

---

---

Format as Checkboxes

---

---

---

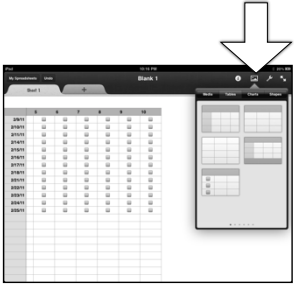

---

---

---

---

---

**Add Charts/Graphs**

---

---

---

---

---

---

---

---

**Select Chart Type**

---

---

---

---

---

---

---

---

**Select Data Field**

---

---

---

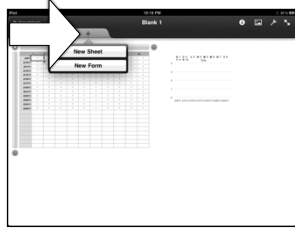

---

---

---

---

---

Add Form

---

---

---

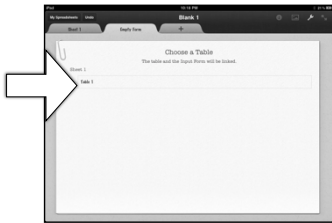

---

---

---

---

---

Select Table

---

---

---

---

---

---

---

---

This Is What You Get

---

---

---

---

---

---

---

---

Tap To Enter Data

---

---

---

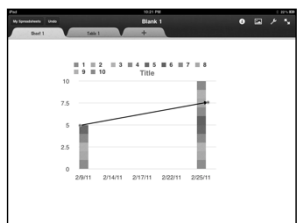

---

---

---

---

---

Ta Da!!!!

---

---

---

---

---

---

---

---

Works Best For  
Discrete Trial Data

---

---

---

---

---

---

---
